KENTUCKY STATE NEWS. RECORD OF THE REPUBLICANS.

Review of Their Unpatriotic Acts in the Lifty-Third Congress. There can be no question of demo cratic failure and disgrace in the congress that closed recently. We have discussed it in general and in detail more than once and have pointed out its causes with frankness. But it would be a mistake to say that the democratic party is alone the subject for blame as represented in that body. In the conspicuousness of democratic cast course, it has floundered about realitional the conspicuousness of democratic cast course, it has floundered about realitional that conspicuousness of democratic cast course, it has floundered about realitional that the democratic cast course, it has floundered about realitional transfer of the mation. Since the war it has been wandering in strange paths for eight to the democrate, commanded by the conspicuousness of democratic cast course, it has floundered about a strange paths. blame as represented in that bodys in the conspicuousness of democratic restault of duty the sins of the republicans an against the public welfare should not be forgotten. There is a heavy responsibility here as well. The country has been deprived of needed legislation through republican agency in several important instances, and there would have been more of these, as well as positive legislation that promised to be pernicious, had the representatives of that party oftener had their way.

The partisan reply to this will be republicans were in the minary of the partisan reply to this will be republicans were in the minary of the partisan reply to this will be republicans.
